

## **Valentyn Sokkie**

“Roses are red, violets are blue, be my date to the sokkie, I want to go out with you.”; was an example of one of the cheesy yet cute lines used all over GerrieLand to get that special someone.

Valentine’s Day is a worldwide event that is celebrated everywhere by young and old. In order to celebrate this beautiful occasion, we had our annual Valentyn’s sokkie, which was organised with a successful contribution from the grade 11s. Tickets were sold out fast with over 200 people attending. Tian said: “The sokkie was definitely a success and the money raised from the event will be used for the grade 11s!”

The Grade 11 Science learners donated R20, while some bought 2 litre soft drink bottles. It was indeed a good vibe. The Valentyn Sokkie served as a catalyst in finally igniting that spark of asking your crush out.

Roses are truly red, violets are truly blue, so there is no doubt that this Valentyn Sokkie was for you!
