As deel van ons skool se ID-veldtog moedig ons alle ouers aan om so gou moontlik vir hul kind se Suid-Afrikaanse ID-kaart aansoek te doen sodra hulle 16 word.

'n ID is belangrik vir:

- ☒ Registrasie vir Graad 12-eksamens
- ☒ Die opening van 'n bankrekening
- ☒ Aansoek om 'n beurs of werk ná skool
- ☒ Die aflê van 'n leerlinglisensietoets
- ☒ Om lang vertraging en laaste-minuut spanning te vermy

Om aansoek te doen, besoek jou naaste Binnelandse Sake-kantoor met:

-  Jou kind se geboortesertifikaat
-  Een ouer/voog se ID
-  Twee ID-grootte foto's (indien vereis)

Vroeë aansoek verseker 'n gladde proses sonder onnodige vertraging. Maak hierdie belangrike stap in jou kind se toekoms 'n prioriteit!

As part of our school's ID campaign, we encourage all parents to apply for their child's South African ID card as soon as they turn 16.

An ID is essential for:

- ☒ Registering for Grade 12 exams
- ☒ Opening a bank account
- ☒ Applying for a bursary or job after school
- ☒ Writing a learner's license test
- ☒ Avoiding long delays and last-minute stress

To apply, visit your nearest Home Affairs office with:

-  Your child's birth certificate
-  One parent/guardian's ID
-  Two ID-sized photos (if required)

Applying early ensures a smooth process without unnecessary delays. Please prioritize this important step in your child's future!

Geagte Ouers en Leerders,

Ons wil alle ouers en leerders herinner dat, soos vroeër gekommunikeer en versoek, leerders wat NIE aan buitemuurse aktiwiteite deelneem nie, direk ná skool huis toe moet gaan of BINNE die skoolterrein moet wag. Dit verseker dat die skool leerders kan beskerm teen eksterne invloede en risiko's.

Die skool het infrastruktuur voorsien waar leerders in 'n veilige omgewing kan sit, studeer en huiswerk voltooi. Ten spyte van herhaalde versoeke, sien ons steeds baie leerders wat tot laatmiddag buite die skool wag. Daar is 'n duidelike toename in misdaad en teistering, wat hierdie 'n uiters onveilige situasie maak.

● Ons doen 'n dringende beroep op ouers om te verseker dat leerders se vervoer betyds ná skool arriveer of dat hulle binne die skoolgronde wag.

✦ **Ouers se Verantwoordelikheid & Gevolge:**

✓ Die skool se verantwoordelikheid vir leerders eindig 30 minute ná skool of sodra 'n buitemuurse aktiwiteit klaar is. Ná hierdie tyd is die veiligheid van leerders die uitsluitlike verantwoordelikheid van hul ouers.

✓ Enige leerder wat ná 14:30 buite die skoolhekke gevind word, sal 100 demeriete ontvang, wat tot skorsing kan lei.

✓ Indien 'n leerder ná 14:30 buite die skool is en 'n dissiplinêre insident of ongeluk plaasvind, sal die skool die saak na SAPD en Maatskaplike Dienste verwys vir kinderverwaarlosing.

✓ Ouers sal verantwoordelik gehou word indien hul kind nie hierdie veiligheidsmaatreëls nakom nie.

⚖️ **Wettige Basis vir Ouers se Verantwoordelikheid:**

✓ Die Kinderwet No. 38 van 2005, wat 'n wetlike plig op ouers plaas om hul kind se veiligheid en welsyn te verseker.

✓ Die Suid-Afrikaanse Skolewet (SASA) No. 84 van 1996, wat bevestig dat skole slegs tijdens skoolure en amptelike skoolaktiwiteite verantwoordelik is vir leerders.

✓ Die Wysigingswet op Kinders No. 41 van 2007, wat bepaal dat versuim om 'n kind se veiligheid te verseker as verwaarlosing beskou kan word, wat 'n strafbare oortreding is.

✖ Die skool het geen ander keuse as om hierdie streng maatreëls toe te pas om die veiligheid van alle leerders te verseker nie. Ons doen 'n ernstige beroep op ouers om hierdie saak ernstig op te neem en ten volle saam te werk om verdere aksies te voorkom.

Dankie vir u begrip en ondersteuning.

URGENT NOTICE: LEARNER SAFETY AFTER SCHOOL 🚨

Dear Parents and Learners,

We would like to remind all parents and learners that, as per our previous communication and requests, learners who are not participating in extramural activities after school must go home directly or wait INSIDE the school grounds. This ensures that the school can protect learners from outside influences and risks.

The school has provided infrastructure where learners can sit, study, and complete homework in a safe environment. Despite repeated requests, we still have many learners waiting outside the school until late in the afternoon. There has been a noticeable increase in crime and harassment, making this an extremely unsafe situation.

● We urgently plead with parents to ensure that learners' transport arrives promptly after school or that learners remain inside the school premises.

🔴 Parental Responsibility & Consequences:

The school's responsibility ends 30 minutes after school or after an extramural activity ends. After this period, the safety of learners is solely the responsibility of parents.

Any learner found outside the school gates after 14:30 will receive 100 demerits, which may lead to suspension.

If a learner is outside the school after 14:30 and a disciplinary incident or accident occurs, the school will refer the matter to SAPS and Social Services for child neglect.

Parents will be held accountable if their child does not adhere to these safety measures.

⚖️ Legal Basis for Parental Responsibility:

✓ The Children's Act No. 38 of 2005, which places a legal duty on parents to always ensure their child's safety and well-being.

✓ The South African Schools Act (SASA) No. 84 of 1996, which confirms that schools are responsible for learners only during school hours and official school activities.

✓ The Children's Amendment Act No. 41 of 2007, which states that failing to ensure a child's safety may be considered neglect, which is a legal offense.

🔴 The school has no choice but to implement these strict measures to ensure the safety of all learners. We urge parents to take this matter seriously and cooperate fully to avoid further action.

Thank you for your understanding and support.

URGENT CALL TO ACTION: PROTECTING OUR CHILDREN & COMMUNITY 📢

Dear Parents, Learners, Alumni, and Community Members,

The issues we face at our school are a direct result of the social ills in our community. We can no longer stand idly by while these problems spill over and take advantage of our children. It is time to take a stand!

We must unite as a school and community to fight against those who seek to harm and influence our children negatively. Every parent, teacher, alumni, and community member has a role to play.

👉 The first step starts NOW! Sign this petition to fight against the drug problem in our community and eliminate its source.

📍 PETITION AGAINST "THE WHITE HOUSE"

For years, the residents of our community have raised concerns about 421 Broodryk Street, known as "The White House." This location has been a hotspot for illegal activities, negatively impacting our neighborhood and, most importantly, our children.

✗ We say NO to drugs!

✗ We demand urgent action!

✗ We will not allow our community to be held hostage by crime and substance abuse!

Sign the petition now and help create a safer, drug-free environment for our children! 👉

<https://forms.gle/eMqQyaV8n19n4Wp1A>

Together, we CAN make a difference! 💪 Let's take hands and stand up for our children's future!

EXCITING HOLIDAY OPPORTUNITY: BIO-SCIENCE COURSE AT THE PRETORIA NATIONAL ZOO

Dear Parents/Guardians,

We are pleased to share an exciting opportunity for high school learners interested in science, biodiversity, and conservation! The National Zoological Garden in Pretoria is offering a brand-new Bio-Science Course during the school holidays.

Please note that this program is independent of our school and is not affiliated with us in any way. We are simply sharing this information as it may be of interest to our learners and their families.

About the Bio-Science Course

This engaging and interactive course is designed for learners in Grades 8 – 12 and provides hands-on experiences in biodiversity, bioscience, and conservation. Participants will explore scientific concepts in a fun and participatory manner, developing a deeper understanding of nature and its applications in modern society.

Learners will also gain insight into possible career paths such as veterinary science, genetics, and zoo management while exploring the role of biobanks, DNA research, and data banks in biodiversity conservation.

Course Details:

 **Dates:** 31 March – 2 April 2025

 **Time:** 08:00 – 16:00

 **Registration Fee:** R170 per learner

 **Transport & Refreshments:** Own expense

 **Registration Forms:** Must be sent directly to the provided email addresses

Programme Highlights:

Day 1:

- Practical animal husbandry
- Biodiversity concepts
- "Light is Life"
- Reptiles
- Focus animals

Day 2:

- Practical animal husbandry
- Penguins: breeding and conservation
- Aquarium animal health and welfare
- DNA
- Focus animals

Day 3:

- Practical animal husbandry
- Supporting structures
- Biobank
- Data bank
- Focus animal presentations
- Summary session

Upon successful completion of the course, learners may have the opportunity to join the ZooClub, a volunteer group that meets regularly, participates in excursions, and competes in life science competitions.
