

Hoërskool Gerrit Maritz

06 April 2025

Dear Parents and Learners,

As we conclude a busy but very successful first term of 2025, we want to take a moment to thank each and every one of you for your dedication and support. The term was filled with exciting activities, including athletics, tennis, and the start of our winter sports programme. We are proud of the positive spirit and enthusiasm shown by our learners throughout.

As we look ahead to Term 2, we encourage all learners to start strong and remain focused. This term includes important academic assessments and examinations, and it is essential that every learner puts in their best effort from day one. Our High Flyers classes will continue this term, and we encourage learners to take full advantage of these opportunities for extra academic support.

Good luck to our netball, rugby, and hockey teams as they continue with their league matches—we're proud of your commitment and sportsmanship! Towards the end of the term, we will also begin softball trials for learners interested in joining the team.

While we celebrate and support our learners' involvement in sports and extracurricular activities, we must always remember that we are first and foremost an academic institution. All other activities are valuable, but secondary, and our primary focus must remain on learning and academic success. This should be the shared priority of all teachers, learners, and parents.

We wish you all a productive and rewarding second term!

Geagte Ouers en Leerders

Namens die skool wil ons graag elke ouer en leerder bedank vir 'n besige maar baie suksesvolle eerste kwartaal van 2025. Die kwartaal was gevul met opwindende aktiwiteite soos atletiek, tennis en die begin van ons wintersportseisoen. Ons is trots op die gees en toewyding wat ons leerders getoon het.

Soos ons na die tweede kwartaal uitsien, wil ons alle leerders aanmoedig om van die begin af hard te werk en gefokus te bly. Hierdie kwartaal sluit belangrike akademiese assesserings en eksamens in, en dit is van kardinale belang dat elke leerder hul beste lewer. Ons High Flyers-klasse gaan ook gedurende die kwartaal voort, en ons moedig leerders aan om hierdie ekstra akademiese ondersteuning ten volle te benut.

Sterkte aan ons netbal-, rugby- en hokkiespanne wat hul liga-wedstryde in die nuwe kwartaal voortsit - ons is trots op julle! Later in die kwartaal begin ons ook met sagtekbalkproewe vir belangstellende leerders.

Hoewel ons leerders se deelname aan sport en buitemuurse aktiwiteite waardeer en ondersteun word, moet ons altyd onthou dat ons in die eerste plek 'n akademiese instelling is. Alle ander aktiwiteite is belangrik, maar sekondêr, en ons primêre fokus moet altyd akademiese sukses bly. Dit behoort die gedeelde prioriteit van alle onderwysers, leerders en ouers te wees.

Ons wens almal 'n produktiewe en geseënde tweede kwartaal toe!
