We strongly encourage all Grade 10 to 12 learners to attend these sessions, as additional work and critical subject matter will be covered during these times. Attendance will be recorded, and regular feedback will be provided to parents during parent evenings.

Balancing Academics and Extracurricular Activities

To ensure our learners can fully participate in both academics and extracurricular activities, all extra-mural activities (sports and cultural) will begin after 15:00 on these days. This approach is intended to support the holistic development of our learners while prioritizing their academic success.

Adjusted Timetable for Other Days

On Wednesdays and Fridays, the school will adjourn at 14:00 for all grades.

Purpose of the Highflyers Programme

This programme is part of our continuous effort to provide structured educational support to our learners, helping them reach their full potential. We believe that the Highflyers Programme will make a significant positive impact on their academic journey.

Balans tussen Akademie en Buitemuurse Aktiwiteite

Om te verseker dat ons leerders ten volle kan deelneem aan beide akademie en buitemuurse aktiwiteite, sal alle buitemuurse aktiwiteite (sport en kultuur) na 15:00 op hierdie dae begin. Hierdie benadering is daarop gemik om die holistiese ontwikkeling van ons leerders te ondersteun, terwyl akademiese sukses steeds die prioriteit bly.

Procedure regarding latecomers is as follows:

- Learners who are late for school are put in detention for 30 minutes that **same afternoon directly after school**. **If a learner is late with a valid excuse, the parent guardian must accompany the learner to the office to convey the excuse.**
