Importance of Consistent School Attendance – Grade 12 Learners

Dear Grade 12 Parents,

We would like to emphasize the critical importance of regular school attendance for your Grade 12 learner. During the recent district general meeting, the significant role of consistent attendance in the academic success of Grade 12 learners was clearly highlighted. *It is essential that all Grade 12 learners attend school every day and are present on time.*

Please note that the attendance of Grade 12 learners will be closely monitored. Should your child be absent for any reason, a formal doctor's note must be submitted to the teacher on the following school day. This requirement is non-negotiable.

We appreciate your cooperation in ensuring that your child does not miss any lessons and is fully prepared for the upcoming exams. Your support is of utmost importance and is greatly appreciated.

Thank you for your understanding and assistance.

Warm regards,
Grade 12 Management
Hoërskool Gerrit Maritz

Onderwerp: Belangrikheid van Gereelde Skoolbywoning – Graad 12 Leerders

Geagte Graad 12 Ouers,

Ons wil graag die belangrikheid van gereelde skoolbywoning vir u Graad 12-leerder beklemtoon. Gedurende die onlangse distrik-generaalvergadering is die kritieke rol van konstante skoolbywoning vir die akademiese sukses van Graad 12-leerders duidelik gemaak. *Dit is van uiterste belang dat alle Graad 12-leerders elke dag aanwesig en betyds is.*

Wees asseblief bewus daarvan dat die bywoning van Graad 12-leerders sorgvuldig gemonitor sal word. Indien u kind om enige rede afwesig is, moet 'n amptelike doktersbrief op die volgende skooldag by die registeronderwyser ingehandig word. Hierdie vereiste is nie onderhandelbaar nie.

Ons waardeer u samewerking om te verseker dat u kind geen lesse mis nie en die beste moontlike voorbereiding vir die komende eksamens het. U ondersteuning is van uiterste belang en word opreg waardeer.

Dankie vir u begrip en samewerking.

Vriendelike groete,
Graad 12 Bestuur
Hoërskool Gerrit Maritz

1 or 2 days a week doesn't seem like much but...			
If your child misses...	That equals...	Which is ...	And over 13 years of schooling that's ... (Gr.R-12)
1 day every 2 weeks	20 days per year	4 weeks per year	Nearly 1½ years
1 day every week	40 days per year	8 weeks per year	Over 2½ years
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years
How about 10 min late a day? Or signed out early. Surely that won't affect my child...			
He / She is only missing...	That equals...	Which is ...	And over 13 years of schooling that's ... (Gr.R-12)
10 min per day	50 min per week	Nearly 1½ weeks per year	Nearly ½ year
20 min per day	1hr40min per week	Over 2½ weeks per year	Nearly 1 year
30 min per day	Half a day per week	4 weeks per year	Nearly 1½ years
1 hour a day	1 day per week	8 weeks per year	Over 2½ years
If your child is late often or leave early, it is your child's responsibility to catch-up the work that was missed.			

BELANGRIKE INLIGTING – GR. 12 GEOGRAFIE / IMPORTANT INFORMATION – GR. 12 GEOGRAPHY

Please take note that the Grade 12 Geography Map Work Formal Assessment Task will be written on Saturday, 8 March 2025, in T3 from 08:00 to 10:00. Due to time constraints in the Annual Teaching Plan (ATP), we must utilize weekends and afternoons to avoid losing valuable instructional time.

Neem asseblief kennis dat die Graad 12 Geografie Kaartwerk Formele Assesseringstaak op Saterdag, 8 Maart 2025, in Lokaal T3 van 08:00 tot 10:00 geskryf sal word. As gevolg van tydsbeperkings in die Jaarlikse Onderwysplan (ATP) moet ons naweke en middag gebruik om nie onderrigtyd te verloor nie.

It is essential that learners are well-prepared, as this assessment contributes significantly to their Geography term marks. Any learner who is absent will receive zero - unless a valid medical certificate is provided. In such cases, it is the learner's responsibility to make arrangements for a catch-up assessment.

Dit is krities dat leerders goed voorbereid is, aangesien hierdie assessering 'n groot persentasie van hul Geografie termynpunte uitmaak. Enige leerder wat afwesig is, sal nul ontvang, tensy 'n geldige mediese sertifikaat voorsien word. In sodanige geval is dit die leerder se verantwoordelikheid om reëlings te tref vir 'n siekeksamen.

Learners must bring all required map work equipment, as borrowing or lending under examination conditions will not be permitted. Additionally, learners must wear full school uniform or Gerrie wear when attending extra classes.

Leerders moet al hul benodigde kaartwerk-toerusting saambring, aangesien leen of uitruil onder eksamenomstandighede nie toegelaat sal word nie. Leerders moet ook volledige skooldrag of Gerrie-drag dra wanneer hulle ekstra klasse bywoon.

*Furthermore, there will be a *Map Work Workshop* on *Saturday, 22 February 2025*, from *08:00 to 10:00*. Since many learners struggle with map work, attendance is compulsory to ensure they receive the necessary support.*

Daar sal ook 'n *Kaartwerk Werkswinkel* wees op *Saterdag, 22 Februarie 2025*, vanaf *08:00 tot 10:00*. Aangesien die meerderheid leerders sukkel met kaartwerk, is bywoning verpligtend sodat hulle die nodige ondersteuning kan ontvang.

Thank you for your cooperation and support.

Dankie vir u samewerking en ondersteuning.

*Kind regards,
Ms E Naudè*

Vriendelike groete,
Me E Naudè

DRINGEND: KENNISGEWING **OOR LEERDERVEILIGHEID**

Geagte Ouers/Voogde,

Ons is ernstig bekommerd oor die toenemende berigte van leerders wat buite die skoolgronde deur onbekende persone geteister en geviktimizeer word. Die veiligheid van ons leerders is ons topprioriteit, en ons het u samewerking nodig om hulle te beskerm.

◆ BELANGRIKE VEILIGHEIDSREËLINGS :

- ✓ Oggend Aankoms : Leerders moet die skoolgronde onmiddellik betree wanneer hulle aankom. Hulle mag NIE buite rondstaan nie.
- ✓ Na Skool : Leerders moet direk huis toe gaan. Indien 'n leerder vir ekstra klasse, buitemuurse aktiwiteite of vervoer moet wag, moet hulle binne die skoolgronde bly vir hul veiligheid.
- ✓ Veilige Areas Beschikbaar : Die skool het toegewyde areas waar leerders kan sit, huiswerk doen en studeer binne die skoolgronde.
- ✓ Sekuriteitsmaatreëls : Ons het 4 voltydse sekuriteitsbeamptes binne die skoolgronde om veiligheid te verseker.

Leerders wat buite die skoolhekke rondstaan, stel hulself bloot aan gevaar! Praat asseblief met u kind oor hierdie belangrike veiligheidsmaatreëls. U samewerking is noodsaaklik om ons leerders veilig te hou.

Dankie vir u ondersteuning.

URGENT: LEARNER SAFETY **NOTICE**

Dear Parents/Guardians,

We are deeply concerned about increasing reports of learners being harassed and victimized by unknown individuals outside the school grounds. The safety of our learners is our top priority, and we need your support to ensure their protection.

◆ IMPORTANT SAFETY ARRANGEMENTS :

- ✓ Morning Arrival : Learners must enter the school grounds immediately upon arrival. They should NOT loiter outside.
- ✓ After School : Learners must go home immediately after school. If they stay for extra classes, extramural activities, or transport, they must remain inside the school grounds for their safety.
- ✓ Safe Spaces Provided : The school has designated areas where learners can sit, do homework, and study inside the school.
- ✓ Security Measures : We have 4 full-time security officers inside the school grounds to ensure safety.

Learners who remain outside the school gates put themselves at risk! Please speak to your child about these important safety measures. Your cooperation is crucial in keeping all learners safe.

Thank you for your support.
